Why did I pay for this

By hayseed

It's all information you can find elsewhere on the internet, and there isn't a lot of it. Look up facts on the internet and you will not only find these, you'll find a lot more. Took me about ten minutes to read. Waste of money, unfortunately.

Not what I was looking for.

By Robert McCloy

I was excited to get this book, but most of the Harry Potter facts I already knew, and to be honest, I am not that interested in facts about the actors who played the characters in the movies. I was really expecting more interesting facts from the books that I might now have caught when I read them. Plus - pretty short.
