Decent 80's fashion print

By Cale O.

This is a good reference book with quite a few pictures and patterns of radically tubular 80's fashion.

I love that it has the original price tag of \$2.00 on it. I feel like a sucker for paying what I did. :(

love love love

By monica martinez

it's a wonderful book, well explained, with a bunch of images. I really love the way it's is, i'm not a native english person and have no problemms to understand the meanings.
