BLOOD VENGEANCE (DEATHLESS NIGHT SERIES #2)

(VOLUME 1) BY L.E. WILSON PDF

Chained and tortured in an underground cell for seven long years, Master vampire Luukas Kreek vows to take revenge on the raven haired witch that took his power...and his sanity...the witch with the face of an angel. Emaciated and weak, he desperately tries to hold on long enough to find a way to destroy her. But with one taste of her blood, only one word bursts through his fragile psyche...MINE. Keira Moss has spent the last seven years trying to figure out a way to get herself out of this hellhole...and to save the strong-willed vampire she's grown to admire, and to love, while she's at it. But she's afraid that not even a witch as powerful as she will get out of this one. Forced to destroy him or have her sister pay the price, she knows that the vampire that holds her heart will kill her the moment he gets the chance. And she won't stop him. Once free from their chains, Luukas discovers that the one who broke him may be the only one who can put him back together. But then, in a cruel twist of fate, Keira is taken from him, and now Luukas must return to the nightmare where it all began to get her back. As his overwhelming need for her wars with his lust for Blood Vengeance, his shattered mind must choose: to kill the witch or to love the angel...making her HIS, forever.

The story was good, the plot was great but Luukas was absolutely brilliant

By Amazon Customer

This is the second book in the Deathless Night Series and it was intense. This story has Luukas and Keira as the lead pair.

Luukas is a 600 year old master vampire, tricked and trapped by Leeha. Leeha is a seductive vampire hell bent on world domination. She wants to rule the vampire kingdom with Luukas as her King.

Leeha was obsessed with Luukas and is determined to break him after he repeatedly refuses her. Leeha's Creator abused her and convinced her that she was destined for greatness. This was a messed up relationship which moulded Leeha in a major way.

Leeha was 50 shades of Psychotic and the only solution for now is to lock up your vampires.

Leeha uses Keira to control Luukas. Luukas feels all the pain his tormentors inflict on him while Keira keeps

any actual physical damage at bay. Keira hates hurting Luukas but Leeha threatens to kill her sister if Keira refuses to cooperate.

Luukas refuses to give in after being tortured for 7 years but his mind is fragile. After being rescued Keira returns Luukas's powers but he keeps her as his prisoner. Luukas is at war with himself - part of him cares for Keira while the other wants to hurt her.

Circumstances allow Luukas to have a little tit for tat and this is where his dark side rules. His need for vengeance surfaces but the bonded male in him puts in a good fight. Keira was his witch, his angel but he refuses to accept her as his mate.

This is the first time in PNR where you see a vampire with an identity crisis. His reactions are realistic, his pain is overwhelming and his instincts are divided.

Keira was calm and caring, she was resigned to her death and desperate for forgiveness.

There is no rest for the wicked and Leeha snatches Aiden during the attack. She gleefully reveals her diabolical plans and has a soft spot for Aiden.

Nik acts as mediator between Luukas and Keira and is worried about both of them.

The story was good, the plot was great but Luukas was absolutely brilliant. He was the perfect example of a conflicted vampire.

The author is consistent and the series gets better with every book.

I received a free ebook in exchange for an honest review.

Great second book!

By C.C. Pen

I give this book 4 hearts

The second book in the series focuses on Luukas and Keira. Please read Blood hunger before moving on to this one, it's worth it.

So back to the story. As we found out in the first book Luukas was held by the crazy vamp Leeha but she couldn't have done it without the forced assistance of Emma's sister Keira who is a powerful witch.

Keira was forced to commit awful torturous things to Luukas or forfeit her sisters life. She never wanted to hurt Luuk she tried her best to save him from the hell they were living in for 7 long years, but everyone has a breaking point. He does not escape Leeha's clutches with his sanity intact, and what's more he can't seem to be without Keira. He needs her as a mate but his brain can't seem to decide if she's good or bad. His struggle to find peace with Keira is heartbreaking at times but he is so strong, and Keira refuses to give up on him.

We get to revisit with Nik and Emma...I love them and a beautiful reunion long time coming between Emma and Keira. A great second book can't wait to read the next. Sexy vamps and strong snarky witches what's not to love!

** reviewer for romance authors that rock

Great PNR!!

By Samantha TBD

This is interesting because the time frame of the story overlaps with part of book 1. I didn't think I would enjoy that, but the author made it work! I enjoyed Luk and Keira story; not as much as Nik and Emma, but it was still great! I am looking forward to more in this series! Check out my full review here: <http://www.thebookdisciple.com>
