The loose-leaf binder-ready copy of the text was perfect for my son's college psychology course

By LazyBear1

The loose-leaf binder-ready copy of the text was perfect for my son's college psychology course. He testifies that the text was clear and helped him learn and prepare well for his psych exams. I'm glad I bought it, and it was cheaper than a traditional text.

Perfect!

By Sle

I got this book for my granddaughter. It is exactly what she needed for class. She just popped it into a binder and saved the extra cost for a bonded book.
