Complex characters in spite of itself.

By Kevin Peterson

This is definitely not for kids. It is a compendium of more or less pornographic tales that develops into a more realistic soap opera in volume 2. Well written and visually presented in style similar to Stan Sakai or Carl Barks.

0 of 0 people found the following review helpful.

Omaha is cool

By Joshua Powers

I never knew this existed. It's kind of like a soap opera, but it's an engaging story and Omaha is sexy!

The Most Overrated Comic Series In History

By Long Tom

I am aware that this comic series is critically acclaimed. Why? Compared to other adults-only comic, most of which are poorly-drawn garbage with no storyline, Omaha looks good. But on its own, it's not so great after all.

What is Omaha The Cat Dancer, anyway? It's a comic series whose characters are talking animals who behave and dress like humans and go barefoot. Yes, it's a very common trope, but inherently ridiculous all the same. Which is why funny animal comics have humor in them. But Omaha The Cat Dancer is almost entirely devoid of jokes and humor. It's not failed comedy; it plays itself completely straight, despite its inherently silly and non-realistic format.

Okay, the characters are really just humans with a few "animal" characteristics such as snouts and tails tacked on. Even that might be forgiven if Omaha were intended to be its own fantasy world with no relationship to the human one. But clearly the comic is a didactic "message" one that tells us that being a striptease dancer is nothing to be ashamed of, and that pornography is pro-woman and feminist.

And that is the worst part of the comic. Can you essentially be a whore who plays to mens' base instincts and still be a true feminist? Omaha The Cat Dancer tries to make the case, but it fails, as anyone who hasn't lived a sheltered life can see. For instance, the story has Omaha having a romances with people who watch her perform. In real life, striptease dancers who talk about their careers invariably say that they view those who watch them as clients for whom they fulfill fantasies, and never as people they would want to have real relationships with. Also, the pleasures of sex are depicted-but never their consequences. Pregnancy and venereal disease are as nonexistent as shoes in the comic. Um, real animals may be able to live without shoes, but they do get pregnancy and disease. But Omaha completely disregards this fact.

On top of all that, however, people who are contemptuous of striptease and pornography are depicted either as weaklings or hypocrites. The anti-pornography crusaders are invariably hypocrites who use women for themselves. What would Omaha have to say about anti-pornography crusaders who aren't rank hypocrites? Nothing, I suspect. For the record, I've known women who despise pornography but were hardly asexual prigs, and women who would pose for artistic nudity but who would do nothing outright pornographic.

The drawings are good and animated when such is called for. Come for the porn, stay for the porn, but don't expect anything else.
