CRUSH STEP 3 CCS: THE ULTIMATE USMLE STEP 3 CCS REVIEW, 1E BY MAYUR MOVALIA MD PDF

If you know all of the concepts in this book, you should do much better than pass the CCS portion of USMLE Step 3: You should Crush Step 3 CCS! With its focused review of common cases, high-yield content, and test prep strategies, Dr. Mayur K. Movalia's new review book offers the most effective preparation available for this high-stakes exam.

- Zero in on the content you need to know, thanks to a concise, consistent presentation for each case that is updated to mirror the 2013 USMLE software.
- Find the information you need quickly with a detailed index that organizes cases by symptom, final diagnosis, and specialty.
- Get up-to-date management strategies for CCS cases, thanks to input from a Resident Review Board comprised of high-scoring individuals (90th percentile or more), who evaluated the book to ensure its relevance and accuracy.
- Use it in conjunction with Brochert's Crush Step 3: The Ultimate USMLE Step 3 Review, 4th Edition

Better than expected

By Caduceus

While this certainly should not be the only resource used to prepare for the CCS portion of the exam, it may be useful for some.

I understand that this book may not be necessary for everyone who is preparing for Step 3 (especially current residents), but it may be useful to those who are looking to review the management protocols of the pathologies most commonly tested on CCS. I have found this book useful in that regard. It is set up very nicely and tells you what the ideal and optional management should be for each case.

Best CCS-specific book I have found to date.

Update: I passed Step 3 on the first attempt, with a CCS score that was well in the passing range. I am an IMG/FMG with no residency experience and used several sources (including this book) to prepare for the CCS. It was a nice compliment to the practice banks and was good for a quick nightly review of similar cases that I had practiced during the day.4 of 4 people found the following review helpful.

I bought this book to supplement UW cases. I ...

By ZippyMD

I bought this book to supplement UW cases. I felt very confident going in to the exam even with very limited time to study. Going through these cases really helped my score.4 of 5 people found the following review helpful.

Great book for teaching the CCS

By Vamsee Chaguturu

I am a psychiatry resident, which means I didn't spend a lot of time managing most of the conditions that are

tested on CCS. This book has over 100 cases to review. It explains the likely diagnosis from just the presenting symptoms. It also tells you how to approach each case in order to maximize points in the CCS. I highly recommend this book, in conjunction with computer simulations (e.g. U-world), for preparing for the CCS. I used the Kindle version, which is great for reviewing cases when you are on call. See all 24 customer reviews...

CRUSH STEP 3 CCS: THE ULTIMATE USMLE STEP 3 CCS REVIEW, 1E BY MAYUR MOVALIA MD PDF

This is likewise one of the factors by getting the soft documents of this Crush Step 3 CCS: The Ultimate USMLE Step 3 CCS Review, 1e By Mayur Movalia MD by online.
