Scripture begins with a rich tapestry of human personalities and their experiences with God. Throughout history and in our own lives, we return to these characters to see what it means to believe God, follow him, and participate in his plans. We learn about how to relate to an invisible God--to live a life of faith, to be guided and directed by him, and to participate in his mission in this world. Stories of scripture are often portrayed two-dimensionally, making people in the Bible seem familiar, flat, or predictable. Of course, we know they aren't. But we often read their stories as simple tales. We forget the pressures they faced and the doubts they had. Even though they are far removed from our lives in time and culture, the people of the Bible faced the same kinds of tensions we face: faith versus doubt, right versus wrong, good versus evil. Like us, these men and women wandered through the wildernesses of life in search of meaning, significance, and purpose. By faith, they were able to remember God and his purposes when the darkness closed in around them. In the end, these important individuals not only survived their deserts; they learned how to dance in them.

DANCING IN THE DESERT DEVOTIONAL BIBLE NLT: A REFRESHING SPIRITUAL JOURNEY WITH GOD'S PEOPLE FROM TYNDALE HOUSE PUBLISHERS PDF

2016 Christian Book Award finalist (Bibles category)

Stories of Scripture are often portrayed two-dimensionally, making people in the Bible seem familiar, predictable, even flat. We don't always read their stories with much awareness of the pressures they faced, the doubts they had, the assumptions they made, or the alternatives they have chosen.

The Dancing in the Desert Devotional Bible in the New Living Translation encourages readers to take an honest look at the people in the Bible. Chris Tiegreen, author of many popular devotionals for both men and women, has written 270 devotionals that explore the lives of people in the Bible and how they faced their own life's wilderness and found meaning, significance, and purpose with God. When we keep our gaze fixed on a story bigger than our own lives, we, too, can learn to dance in even the driest of our deserts.

Beautiful

By Kathryn

I will admit I was drawn in by the beautiful cover and the title Dancing in the Desert. Something about just called to me. At the start of the book is an introduction to the NLT translation, and a user's guide explaining all the features of the bible. In the rear of the book was an excellent feature called the Devotional Bible Reading Toolkit. It had lots of handy advice about reading and applying what you have read. This is great for someone with the attention span of a puppy at a squirrel party. The introductions to each book are written out very well and provide a new way to look at the book as you read. The devotionals help provide an excellent way to connect to the people you are reading about. It does a great job connecting helping you understand and connect the bible to present and to you as a human being. I love it, and highly recommend that anyone who is looking for a way to deepen your walk with God to give this bible a read.
