Before they were Players . . .

Before the Calling . . .

They trained to be selected as the one to save their ancient bloodline—and win Endgame.

In this collection of Training Diaries novellas, follow Marcus, Chiyoko, Sarah, Alice, Aisling, Baitsakhan, Jago, An, Shari, Kala, Maccabee, and Hilal through sacrifices and betrayals, broken hearts and broken bones, as they shed their normal lives and transform into the Players they were meant to be.

They must train, learn, prepare.

To Play, survive, and solve.

To kill or be killed.

Endgame is real.

Endgame is coming.

And only one can win.

Simple yet interesting

By Izel Rosas

I like this how it explains a brief story of the player's previews lives. Each uniquely distinct and interesting. Some on the players lives I found it kind of pointless and boring however the majority of the players have a very interesting story to tell and what they have gone through. I really like some chapters over others but overall it's a good book to read.

By Jeffrey B Nattania

It is great to get a back story - but it seems a little slow compared to the two novels so far.
