Maryann Jordan you have written another immaculate story, that will render your readers speechless. Gabe story is about love, loss, trust, survival, friendship, brotherhood and community. The main characters as well as the secondary characters will become family and will take residence in your heart. You will be thrilled to hear about the shenanigans these characters get into. Gabe and Jennifer's connection was undeniable but she made him earned her trust, and affection while protecting her heart and her little brother. Gabe knew he found his home and his family when Jennifer and Ross invaded his heart. He found the missing piece and vowed from that moment on, that he will love and protect both Ross and Jennifer no matter the consequences. Jennifer is one of the sweetest character's you will meet. She is kind, independent and has a pure heart of gold. Gabe is divine; he will take your breath away, especially with his compassionate and protective demeanor maintaining his dominant personality. Gabe's story is sweet and endearing, it shows no

matter your situation, love will find you and lead you to your safe haven. Open up your heart and take a chance, if you don't the most precious gift in life could pass you by. Luckily for Gabe he needed a breath of fresh air at the right time. MaryAnn as always your writing is magnificent and you truly are a goddess with words. Fantastic start to a new series!

By Angie

I saw Susan Stoker's release day wishes for this author on Facebook today and, since she is one of my favorite authors, I figured if she thought it was good, I should try it. I was not disappointed at all. I loved this book! There is heart, compassion, love, heat, sexy military men, suspense, everything you could want, all wrapped up in one book! Hope next book comes out soon!

This will tear at your heart strings!

By Leeann Wright

Things one of those books that will not only knock your socks off, but also pretty much draw out most emotions you can name off the top of your head.

Yeas there are some super hot sex scenes but there are moments that will bring you to tears. You will feel fear for the characters and see how true love for someone can bring a grown man to his knees.

Gabe has seen both the best and worst humanity has to offer. He was part of the special forces and now works for and with his best friends and twin brother for Alvarez Security. He has been to war torn countries and there is nothing he hasn't seen. Until he meets Jennifer. She is pure goodness and spends her whole life helping those in need. She will bend over backwards to make sure those she is looking out for get everything they need.

Jennifer is guardian to her small brother as their parents passed away. She will do anything for him and makes sure he is her 1st priority. When she meets Gabe, he is everything she would want in a partner and when she sees how he quickly takes to her brother and vice versa, the deal is sealed.

Gabe and Jennifer are a match made in heaven. They know it and so does everyone else.

There is a huge threat to Jennifer's life and Gabe is about to learn just how far he will go to keep Jennifer and her young brother safe. They are his family and he would gladly give his life for theirs.

This will tear at your heart strings and you will most likely need tissues. I was actually still crying right at the very end!

Settle in with your wine and box of tissues, you won't want to put this one down until you get right to the end!

Well done Maryann Jordan, I can't wait to see who's story you give us next..
