It can be the one that truly enjoy reading.

GRIM: DARK FAIRY TALES FOR THE PSYCHOLOGICALLY MINDED BY JOSEPH BURGO PDF

From the author of VACILLIAN and THE LIGHTS OF BARBRIN, these three novella-length tales explore psychological themes latent in the classic Grimm versions. Rather than presenting two-dimensional "good" heroines pitted against "evil" step-mothers, GRIM portrays fully realized characters grappling with shame and self-doubt, suffering at the hands of mothers best thought of as narcissistic in modern terminology. Due to their dark themes and some graphic sexual material, these tales are not for the faint of heart and are unsuitable for children.

Eye opening

By Carol

The author points out that in the Grimm Brothers version, they took folk tales that had bad MOTHERS and made them into STEP-mothers so as not to scare the little kiddies too much. In these tales he turns them back into mothers and looks at their psychology. When you think about it, the witch in the original Rapunzel story shuts her "daughter" away in a tower so she couldn't talk to anyone else. What sort of a crazy possessive person would do that? Read the book and find out.

Unusual

By Melissa

There are three tales here.

In Cinderella, she marries the prince and finds herself a prisoner of his ego. So much for happily ever after.

In his Snow White, the dwarfs are actual dwarfs not cute Disney characters. The head dwarf at the colony tells the second half of the story and it's weird weird weird.

In Rapunzelmother (strange title), the witch who takes the baby away from the baker and his wife is crazy. Really. In the end essay, the author calls her a borderline.

Recommended.

Good book

By Jo

Burgo is an interesting guy. He writes a blog called After Psychotherapy I've been reading for years. He writes for national publications like the New York Times and blogs for Psychology Today. Now this. Wow! He says in the Introduction that he began as a fiction writer and published his first novel before becoming a therapist. It shows in the writing. Highly recommended.
