Inightful Book

By KRR

Great Book! I was interested in researching some of the oils found in the Bible particularly the Holy Anointing Oil found in Exodus 30. The fact that the author is both a retired minister and former science professor has given him a unique perspective regarding this topic. Not only are the properties/uses of the various oils discussed in this book but also the applicable Scriptural references thus providing a very interesting and comprehensive overview of the oils found in the Bible. Many of the questions that I had been wondering about were answered in this book. Truly a fascinating study!

What an amazing resource

By P. Ann McEvoy

As a member of Young Living Essential Oils I am trilled to get this book to give me deeper insight into these amazing oils. I am reading the book from front to back and then I will start and Terra's it again and refer back to it on a regular basis. I hope to run a program at my church. Thank-you for such a wonderful resource

This book is very informative and will change how you think about Oils.

By Brandie

I bought this book as a recommendation because I just starting using essential oils. My friend said if your going to use them then you really need to read this book. I sat down and read this book and let me say this book was amazing. The author shows you all the different places and which oils are mentioned in the bible. The author gives different examples of how oils work and what they were/are used for. He gives biblical reference for where each oil is found in the bible. If you are just starting out on essential oils then I highly recommend reading this book.
