Thor is running out of time. She'd been caught and now she's dying. The thought of death doesn't scare her, she just doesn't want to die alone. There is only one person she cares enough about to reach out to? a childhood friend? Samuel.

Samuel sits up from a dead sleep in a sweat, his body hurts all over. It takes him a few seconds to realize it isn't his body that hurts but a childhood friend's body? Thor. Thor has always had a mental link with him and is telling him goodbye. Goodbye is not an option.

Kaleb Jonas joined Samuel's Pride a year ago. Bears are loners, but he's found a sense of belonging with Samuel. Now, Samuel needs his help to find a childhood friend before it's too late. But when he finds Thor, it may already be too late. She is his mate? he doesn't want a mate? but he can't just let her die.

Thor is a loner and has worked very hard to stay out of personal entanglements. When she wakes from her injuries, she is not happy that the big handsome man, Kaleb, won't leave her alone. But she doesn't want to see him hurt either. She has to go. The men who tried to kill her will try again and she doesn't want anyone else getting hurt.

Kaleb isn't letting her go anywhere. He didn't want a mate, but now that he's found her he's changed his mind. But can he protect her or himself from the men trying to kill her? Are any of them safe?

Another find and steamy read, Loved it! Just Loved Kaleb!

By Annie K

Kaleb, book 3, Samuel's Pride. Another find and steamy read, Loved it! Kaleb is just plain loveable! I loved him!. Kaleb gives off that older, wiser and you are safe with me vibe. Loved his back story with the Fae folk and witches. I loved his mate Thor, who is a childhood friend of Samuel, and was also abused by her father. They were each others rock and support and they could communicate telepathically. Thor is a bit of a mystery and a little more than human. She served in the military, with the Secret Service and is currently working as a police detective.

Corrupt police officials, a mob boss with more money than sense, and an idiot family member are just a few of the things that the Pride takes on to help out their newest member. Some new characters are introduced. I really liked Ana, Philip and Hawk. Things just keep getting more interesting in the Pride.

Thor is one tough cookie and Kalab might have met his match

By Niki Driscoll

I am really enjoying the Samuel's Pride series. Each member is unique and adds some interesting drama to the storyline. Kaleb is a grizzly shifter, he is big, strong and can be scary. Thor is a cop who is smart, tough and takes no prisoners. When she is hurt she calls out to the one person she always cared about to say goodbye, but Samuel is stubborn and won't let her give up. This was a great storyline, there is a lot of secrecy and shifty situations that are sure to keep you glued to your seat. Fast Paced , engaging , complicated, betrayal and humor make it so you can't help but fall in love with the characters. Thor is one tough cookie and Kalab might have met his match. I think as Samuel's pride grows the males are going to have to watch the females because if they ever ganged up on them they would be unstoppable. I like that there are so many old friendships in this series, the fact that the characters have history make for a more realistic situation and add some fun. Ms. Barton writes a mean story and as always captivates the reader from page one.

Excellent book

By denise/ spreading the word

wow can I say super bear .. I loved Kaleb and Thor she is Samuel's childhood friend .. She was working on an assignment and got caught by the bad people who she was trying to catch but she didn't know she was setup by a person who you never thought of .. Thor was hurt badly and Dying But Samuel and His pride had got to her before she died ... Kaleb just found his mate , he didn't want a mate but hey sometimes you can't control what faith brings you .. This amazing Third book in the series and each story gets better and better this is a dark fantasy romance with bears wolfs and tigers and not forget Vampire all in one .. Hold on you are in for a adventure and sex maybe throw in some romance as well ...
