About the Author

As a professional astrologer, writer, teacher, hypnotherapist and minister, Joy Mitchell Lisker spent over 50 years helping others find their own path of joy. After a decade of reading horoscopes for thousands of clients (including many Hollywood stars), teaching and lecturing to schools, charities, civic organizations and private clubs in Los Angeles, Joy became the resident astrologer on two local TV shows and appeared as a guest on numerous others. In 1976 Joy wrote, produced and hosted the first television series on astrology in America, which debuted in Los Angeles and aired in more than a dozen cities throughout California. Subsequently, she held the position of vice-president and chief astrologer of XII Signs, publishers of the monthly Starscrolls found in supermarkets and vending machines around the world. Joy's first book was entitled Days and Nights For Making Love: Sexual Timing with Astrology. Her essay, Sexy at Seventy, was published in a new book, Our Turn, Our Time, a collection of articles by women over fifty about what they find most fulfilling in the second half of their lives. Joy wanted to let women know that it's never too late for a great sex life and that it can even get better with age! After Bob Lisker's death in 1995, Joy communicated with him almost daily. In 2000, she published these conversations in a memoir entitled, LOVE EVER AFTER: How My Husband Became My Spirit Guide. In 1997, Joy met and fell in love with Jerry Weinstock. Though he was nineteen years younger, they spent the next ten years blissfully happy. In 2001, Joy was diagnosed with breast cancer, yet despite this health challenge Joy and Jerry created and led workshops on "12 Steps to Finding Your Soulmate" based on the program to manifest one's dreams Bob Lisker had given her from the Afterlife. When Joy became "legally blind" due to macular degeneration, she gained her psychic vision and at monthly gatherings called a Sunday of Joy she answered people's most pressing questions. Joy succumbed to cancer on Good Friday 2007. She is survived by her husband, Jerry Weinstock, her children-the singer Terri Nunn and composer, Elliot Anders-and her stepson, Bruce Lisker.

LOVE EVER AFTER: HOW MY HUSBAND BECAME MY SPIRIT GUIDE BY JOY MITCHELL LISKER PDF

It all began with a murder!... In 1983 Bob Lisker suffered a tragedy of biblical proportions. His wife, Dorka, had been brutally murdered in their Los Angeles home and his teenage son, Bruce, despite pleas of innocence, was convicted of the crime and sentenced to life in prison. Tormented by the loss of his wife and his only son, this conservative attorney, former Marine and pillar of the community attempted to contact the spirit of his dead wife to find out who killed her. This set the stage for the extraordinary Afterlife communications his 2nd wife, Joy Mitchell Lisker, received after he died. According to Joy, Bob Lisker was the least likely candidate to be a spirit guide. Yet from the moment he left his body, he gave her a guided tour of the Afterlife that included: * A spiritual perspective on the Lisker family tragedy * What happens when we die * How spirits live and learn on the Other Side * Reincarnation and the illusion of time * How the soul chooses its lessons * How to contact your loved ones on the Other Side * How to recognize your life path * How to attract money * Bob's 12-step program to realize your dreams * And much more.... This 10th anniversary edition includes an Afterword by I. J. Weinstock entitled "The Joyful Redemption."

Joy's Book is a gift to everyone...as was she!

By Lymphomaniac

I was captured from the moment I began reading Love Ever After. It brings you into

Joy's world of love on all levels of life...the living and the after world. The beauty of this book is that it allows you to see a perspective that only one that has experienced it can provide. Joy opens your heart to receive the gifts of intimacy that our loved ones offer us from the other side. I couldn't put the book down...I didn't want to put the book down...so I read the entire book on the airplane from Los Angeles to Italy and finished it. Since then I have gifted "Love Ever After" to several people who have lost someone they love. It helped me to connect to my mother and father on the other side and make it part of my life that I cherish. I highly recommend this book to everyone who loves someone that they have lost.

Comfort & Inspiration

By Judith M Banks

I gave this book to my Mother after her husband died and as she has already had a number of experiences with her Dad and Grandmother after they passed, she was very receptive and comforted by Joy's message.

As a result, she has allowed herself to stretch her awareness to maintaining and developing her relationships with her departed loved ones as have I.

I am so grateful for this book. It has opened so many minds of the people I know who have read it to the possibility that even though a loved one is not physically present, the relationships can go on and be even better -- because the departed is no longer limited by the earthly perspective, but now have a more expanded view that can also be very helpful and they continue to lovingly guide and connect with us from beyond.

We just have to keep our minds and hearts open and choose to connect with them. It is so rewarding!

Love Ever After: How My Husband Became My Spirit Guide

By Suzanne Copeland

Joy's book is a very important piece for today's world; as many are now exploring the possibility of life after death, reincarnation and multidimensional states of consciousness.

Love Ever After, gives a clear, easy to read account of Joy's personal experience with communication from her husband who had passed to the other side.

The read is enjoyable and down to earth, filled with recounts from everyday life that everyone can relate to.

I could not put it down! I read the whole book in one night!

Her story can be of great service to those who grieve over the loss of a loved one. I highly recommend this book to anyone who loves another.

This book can give hope, peace and comfort to many.

Thank you Joy for writing this book.
