Heart strings!

By M. Palmer

This one will tug at your heart strings!

Patrick and Christie Hanuman fell in love, got married, and agreed to live happily ever after. But their marriage wasn't a fairy tale, and Christie soon realized that. Unfortunately their marriage crumbled, and Patrick left, causing divorce to happen. Now, after all these years, Patrick was back in Loving. He was widowed with a three year old son. And he was a changed man!

Not only did this story touch on true love and forgiveness, but it also shows the reader that there is hope in any relationship. When God's timing - instead of man's timing - is perfect, it's a relationship that will overcome all odds! But this book also deals with infertility (in a way), post-divorce, and single-parenting.

Patrick's father is having heart trouble which adds yet another dimension to this story. Finally, something that could be tragic happens near the end. That will tug at your heartstrings for sure!

The author did a great job in making what could have been an unbelievable story - believable!

"Loving Care"

By Amazon Customer

Gail Martin is one of the best at putting together a romance novel. She is well able to bring to life the chemistry of the hero and heroine. She is also able to impart bible truths into each story. "Loving Care" is the story of a divorced couple who after a few years find themselves becoming involved in each other lives again. Patrick and Christie must work through the differences and misunderstandings that caused their split years ago. They forgive each other and are able to move forward.
