Great Book for on the job reading in the area of Housekeeping

By lites

This book helped me in the area of Housekeeping. This book allowed me to save \$\$\$ for the chain hotel company that I work for because the book taught me to apply the "devil is in the details and success is in the systems" theory. I would recommend this book for those who are working in line to Rooms Division Exec.

Managing Housekeeping Operations

By susieq

Product was used and in good shape for the price. It arrived on time. It is a simple but useful look at housekeeping in the hospitality industry. Lots of useful forms.
