When blocked and for holidays/secular days

By Rodent lover

I purchased this book from a Christian book store for \$12.99, new. Sometimes as a pastor, you are having your own problems and can't focus even though your faith remains strong. Also, holidays, especially secular ones are challenging to preach something new and these ideas help jump start me. I add my own ideas and personalizations as a topic has no interest one week and does another - God still leads. I have preached 8 sermons with help from this book from 07 - today, 10/18/09, a large span of time. It is worth the cost if I preach even 10 from this book when I am challenged. Preached from the following titles - New Years 06 - A Year to Build, 5/07 - The Day of Good Tidings, 3/08 - Tell Peter - a very good sermon! Today, a good one - Head for the Hills; 4/08 - What Aileth Thee, Hager, 5/08, Memorial Day - Memorials to the Master.

You can just print out the skeleton outline and have room to add your own key words/notes.
