QUEENIE OF HEARTS BY JULIA BIDWELL PDF

Lucky at cards, unlucky at love....

Queenie Hart knows how to work the cards. She's spent her nights cashing in at the poker tables on a non-existent love life, and doesn't even believe in the L-word anymore— Or wouldn't, if her brain ever got its way with her heart. When her first flame walks back into her life, Queenie is confronted with the knowledge that she's been keeping a secret, even from herself, and that maybe, just maybe, Lady Luck is part cupid.

Rex Montgomery is a former Army Ranger who's accustomed to living dangerously. When misfortune drags him back to his old neighborhood, he comes face to face with the slip of a girl he'd given his heart away to at the tender age of eight— If only she hadn't given it back.

When these star-crossed risk-takers meet again after seventeen years, the cards have already been dealt and Queenie and Rex have decided to play their hands close to their chests, but Fate has other plans. Soon, the game includes a Hellhound, screwed-up family members, crazy ex-lovers, transvestites, and Bob Marley. The stakes are high, and Queenie and Rex will have to go all in if they want a share in the biggest gamble of them all— true love.

Such a fun read!

By benjamin hatch

This is a great little romantic comedy you can read by the pool! Great character development and lots of interesting tidbits thrown in for your enjoyment.

I can't wait to see what happens next with Rex, Queenie and Winnie, not to mention, I want my own Cobra Bubbles to snuggle with! Definitely worth the read.

I absolutely fell in love with the characters in this book

By voraciousreader

I absolutely fell in love with the characters in this book. Queenie is the ultimate comeback character - bad girl makes good, and her relationship with her daughter is envious. I couldn't put it down!

0 of 0 people found the following review helpful.

Gets the thumbs up from my delightful missus.

By Bear On A Bicycle

We live in Las Vegas, so I picked this up for my wife. She's a bit of a romance reader and loves to support our local author base. She reports that she found this to be an amusing and well-written romance, and wouldn't mind reading something else by the author. Unfortunately, there isn't anything else available at this time so I'll have to keep checking back.
