Wrong edition

By Amazon Customer

I wanted to order several students' editions for students to use in my classroom. Even though the description reads "pupil edition", all the books I received were teachers' editions, which I cannot let the students use because the answers are written in. I looked into returning them, but the Amazon website just kept me going around in a loop.

Nice!

By Amazon Customer

Should do the trick... contains the audio text (in case a certain offspring "forgets" what was covered in class!
