Good for comparing schools

By Gina C

Got this for a senior in HS. She has been very happy with it as a resource. It is nice that she can use it to compare apples to apples, rather than relying only on correspondence from the schools themselves, or their websites.

Comprehensive and informative.

By Bill C

Comprehensive and informative. Provided a clear understanding of the relative strengths of the several schools that we were looking at which allowed us to make an objective final selection.

Five Stars

By Duncan MacLeod

A thorough representative of US and some Canadian colleges.
