My kids remembered the story....

By Matt K.

As a father of three young children I feel like I am more than qualified review this book. This has been a great addition to my kids library of books. It not only held their attention but also made a lasting impression, which isn't always the case. Two days after reading the book to my children my three year old daughter reminded of the importance of popcorn :)

Awsome story that explains to young children the mystery of , "How reindeer fly".

By Mary

Sometimes it is difficult to answer questions that very little people ask. This book was a wonderful addition to my granddaughters library, and now she knows why reindeer fly.
