Review

"This compilation fills a gap in the market and will serve as a very useful introduction to a course text." (Political Studies Review, May 2009)

Review

"The Global Justice reader is an important work of our time. It means that we can chart the development of the idea of justice in terms of the themes that occupy our world today. This book is a great idea about a great idea."

–Robert Imre, University of Notre Dame, Australia

"Thom Brooks' The Global Justice Reader fills an urgent need for those who teach the philosophical dimensions of global issues, and their students. Brooks has pulled together an interesting and provocative set of articles, many of them classics in their fields. This book will set the benchmark against which others will be judged."

–Stephen Gardiner, University of Washington

"This is both the broadest and the deepest selection of texts on morality beyond borders. Those looking for sharp analyses of crucial issues in global justice will find this collection clearly the best choice."

–Leif Wenar, University of Sheffield

From the Back Cover

The Global Justice Reader is a first-of-its kind collection that brings together key foundational and contemporary writings on this key topic in moral and political philosophy. Designed for course use, and organized thematically, each section of the text offers a brief introduction followed by important readings on subjects ranging from sovereignty, human rights, and nationalism to global poverty, terrorism, and international environmental justice. Key seminal works from Thomas Hobbes, Immanuel Kant, and John Rawls are included alongside important contemporary writings from a cast of leading thinkers in the field.
