This book is exceptional. A must read for evangelization and ecumenism, with the goal of greater Christian unity, 5 star book.

By Gerard J. McLain

We are so blessed to have His Holiness Pope Francis with us at his time of trial. He understands God's Mercy SO WELL. The greater the need the stronger Mercy becomes, In the Spiritual world Mercy wins, although in the Secular world Justice wins. "God's Mercy is His Justice". Thank you Lord for inspiring Cardinal Walter Kasper to write the wonderful book MERCY.

I have by grace personally experienced God's Mercy; it was grace that completely turned my life around from "the kingdom of self to the Kingdom of God." Oh' the Joy that filled my soul when at the lowest point of my life Jesus forever changed my direction. He came into my aching heart as soon I could receive

Him and I experienced His unconditional love, I am free today because I belong to Him.

Please a personal word to Pope Francis if I might be so bold Isaiah 43 :25--26 might together help discern a new alternative penitential rite for those most in need of God's Mercy and specific help by a loving confessor after first being forgiven and belonging in the family of God, along with your merciful understanding of the prodigal sons father as so well declared in this book. Please pray for me,

We like the subject matter and the homilies from Pope Francis

By Amazon Customer

My bible study group is using this as a Lenten study for the Year of Mercy. We like the subject matter and the homilies from Pope Francis, but we have found the questions to be very deep and somewhat repetitive. Our evening sessions take about 30 minutes longer than usual this season. It would be harder to use by yourself, since the challenging questions need input from others to help us all understand.
