# THE MASTER OF PUTTING BY GEORGE LOW PDF

Although George Low was one of golf's greatest- and unabashed- hustlers (he once reportedly said, "Show me a millionaire with a bad backswing, and I can have a very pleasant afternoon") he was also one of the best putters the game has ever known. Counselor of putting to Arnold Palmer and his contemporaries, Low was renowned both as a player and a teacher of this most fragile art- the sure putting stroke.

In this, his only book, Low reveals the secrets of his amazingly dependable putting technique, addressing stance, grip, tempo, and the other fundamentals that make putts drop. Any golfer, from hacker to tour pro, can benefit from the advice in this rare classic of golf's instructional literature.

Not Much in Here You Probably Didn't Already Know

By S. Meyer

I was really disappointed in this one. I was expecting something original and insightful. Instead of revealing some kind of insider knowledge, it was just a re-hash of the basics- stance, grip, stroke, reading greens, equipment, practicing, etc. No different than what you'll find in any basic instruction on putting, and not nearly as comprehensive or intelligent as Dave Stockton's book. In fact, you can get through it about an hour. The only interesting part was the introduction, which gave a brief biographical account of George Low. His life seems to have been a lot more novel than this book is.

Poorly written and I really like old, classic golf books

By guru4u

Poorly written and I really like old, classic golf books. Instruction varies from how instructors teach the Low

putting technique!
