THE NEPHILIM, A GIANT WALK THROUGH HISTORY BY JEFF E BRANNON PDF

A Biblically based, mostly historic, fictional story starting from the time of Jared (Noah's grand-father) through the present day. The word Nephilim is translated in Gen 6:1 as giant, but means "from the fallen ones". They were the offspring from the Fallen Angels and the daughters of Adam. It is an exciting adventure filled with historical content designed to be a springboard for the reader to explore a side of history often not told. I believe one cannot fully comprehend the Old Testament without understanding the role the Nephilim played. This book helps answer questions like, "If God is a God of love, why did He allow genocide in the OT?" and "What did Jesus mean that the last days would be like the days of Noah?" The book pulls from Ancient Biblical text as well as scrolls found along the Dead Sea Scrolls such as The Book of Giants. The synchronized, Biblically endorsed, extra-Biblical texts such as 1 Enoch, Jasher, and Jubiles also contribute to the historical accuracy of the narrative. Find out about the Vimana mentioned in over 1,000 text in ancient writings and how they tie in with the Nephilim and Watcher-class angels. This book answers questions the modern church typically runs from in an exciting story-driven narrative that puts the reader right in the middle of the action. In this story, the author takes you on a journey from the dawn of time through the present day and even portrays a glimpse in what might happen in the very near future. Who were Nimrod and his wife? How do they tie in to events both in the past and the future? Who are the Nephilim? Are they real? Do they live among us? Find out the answers to these and many more questions in this book today.

I loved it Jeff! God bless you in your desire to spread the Word and saving knowledge of Jesus' death on the cross!! Not many pull this info from the Bible and expound on it which I personally think is a mistake!! People really need to know the lengths that Satan will go to deceive!! Thanks for your effort! Love the story, love the way you are drawn into it from start to finish, and love the way the author weaves the fictional story adding biblical and historical references! Not only believable, but probable, as well.

Will reread and research the stories in here.

By Star 540

I enjoyed this book and even learned some things. I almost never post a review but the entertainment and education I am still getting from the first reading deserves 5 stars. You don't have to be a history or biblical specialist to enjoy this book. DING!
