A complete story, brought to you by Katie Dowe of BWWM Club.

High-powered PR rep Jessica has everything she could want in life.

Well, almost.

What Jessica would love is a child, but with her career taking up so much of her time she doesn't know how to have one.

Enter Joel; a handsome billionaire whom Jessica meets as a potential client, and a man who might just have the solution to her problem.

Joel also wants a child, and when he finds himself immediately attracted to Jessica's classic beauty and blunt personality, he thinks she might be just the right person to be the mother of his child...

No strings attached!

But will their arrangement stay purely business?

Or will it turn out to be more than both Jessica and Joel had ever bargained for?

Find out in this sexy billionaire pregnancy romance by Katie Dowe of BWWM Club.

Suitable for over 18s only due to sex scenes so hot, you'll want your own billionaire to fall in love with.

Creative

By Sexyladi

I enjoyed the storyline it was, interesting and I loved Jessica a strong independent woman and Joel a patient strong man to put up with some o Jessica take the bull by the horns no holds barred. The only problem I have with this book it didn't read like a biracial book they were no descriptions of Jessica, the baby Jonathan or her mother and others characters to tell whether they were black or white. Other than that it was a good read.

Too busy yet still captured by love and parenthood

By Alice Yanes

Two overachieving wealthy folk decide they do not have time to have a child through courtship, so they enter into an agreement to have a child together, share the parenting and other aspects of child rearing but did not leave consideration for the fact that they were falling in love with each other. When they finally allow their feelings to surface, a happy ending looms on the horizon for both of them and their respective families.

A very good read.

Love this book.

This story was a great read from start to finish. Sometimes I had to read a line over again to be sure I read it right. Joel knew how to handle Jessica with the gloves on and sometimes with them off. There were a lot of funny parts. Everybody needs a friend like Brian who can bring in the big money clients, and plus Brian needs his own story to find himself.
