A Simple Gift to 20th Century Piano, Four Hand Repertoire

By RJNJR

In this piece, arranger Bennett Lerner cleverly weaves sections from Copland's Appalachian Spring into a short, beautiful, and highly playable set of short variations on "Simple Gifts." I was surprised to see no review of this important contribution to 20th century piano, four hand music on Amazon. It is one of those rare and useful pieces which is appropriate for student, amateur, and professional alike; in the tradition of Ravel's "Mother Goose" Suite.
