VIETNAM WAR: THE NEW LEGION VOL. 1 BY VINH TRUONG PDF

The author discusses the three Axioms in the dominant interpretation of the U.S.-Vietnam War that were established by the invisible permanent government right after the National Security Council meeting on September 21, 1960. They are: - There was never a legitimate non-communist government in Saigon (dissolution GVN) - The U.S. had no legitimate reason to be involved in Vietnamese affairs (Tonkin-Gulf-Incident) - The U.S. could not have won the war under any circumstances (U.S. troops honorable withdrawal) There are many reasons why the author decided to write this book, The New Legion. He felt compelled to write it for the longest time; after spending thirteen years in the Communists' so-called "reeducation camp." He escaped from a canal in the Mekong Delta and drifted in a rickety old boat similar to a child's toy from South Vietnam for fourteen days until he reached the nearest Pacific island, Palawan Islands, Philippines. He knew the pain that all the people who were involved suffered yet he thought that perhaps it might be best to let it become a not-so-distant memory. Now, he has finally decided to write the truth at last. It is the story of loyalty, duty, honor, and love.

Plagiarism at its finest

By pinkston

I didn't read the book, but noticed while skimming that at least several sections were literally taken word for word from another book I just read titled "SOG, the secret wars of Americas commandos in Vietnam" by John L. Plaster. Mr. Plaster's book was written in 1997, so it appears Mr. Truong had a close relationship with the copy/paste function in his word processor. As stated, I haven't read this book and probably won't. I don't care for plagiarism...

If you care to check for yourself.

"SOG" pg. 193-194 match exactly "Vietnam War" pg. 219-220.
