Great Warrior's Addition. Loved Pinestar's Choice!
By Gina M. Denofa
Light Spoiler Warning!

Though the stories don't do much for any plot additions they do show a more detailed perspective of each Thunderclan cat. My particular favorite was Pinestar's Choice.

Though in Bluestar's Prophecy it seemed like he just didn't want to lose his last life, it was more of just being tired of seeing every clan cat he cared about suffer or being killed in fights. Endless battling for small amounts of territory day in and day out, then seeing the house cats on the other side of the fence just

coexisting without death seemed more and more compelling than the repetitious ongoing fighting.

And after realizing he couldn't lead anymore, the dark prophecy about his son, and the loss of a very good friend, Pinestar makes the choice in trying to do what's best for both worlds.

So in all, Pinestar was afraid of more lives lost, not just his own. We even see how he loses his 8th life with trying to help a dear friend. So I do recommend this little book!

Legends of the Clans...

By Ms. Hoh

I liked this companion book to the Warriors books. I like reading about individual cats. This one focused on three of ThunderClan's cats. I hope we get to read about more cats from other clans in the 3-story format like this book.

Interesting back stories of some of your favorite cat characters

By Stephen Magyera

Great book. I fan of the Warriors Series will really enjoy the back stories of some of their best remembered character cats. There's a bitter sweet element to each story.
