One of our favorites!

By Nathan Fox

We love this book! As a parent of two toddlers, I have read a lot of children's books and this is one of my favorites! It is so fun to read and easy for the kids to memorize so they can "read" along. It's also really fun to act out the story, if you're feeling creative. The board book is very sturdy and we haven't had issues yet with durability. I am very pleased with this book and we've even purchased it again as a gift.
